READING MATTER ON EVERY PAGE.

What has followed is not fully understood.

There is an effort at Washington to keep up this warfare, to defeat the Hon. S. A. Donglas in Illinois, which is totally unanstifiable; but who are its authors? This movement is against that portion of the Kansas-Nebraska act which is the following the formal declaration of them. My object is very different; I will proceed to state it.

You are the original proposer in Congress of that portion of the Kansas-Nebraska act which is the following that formal declaration of them. My object is very objection to Judge Bonelis and his population of the following who are its authors? This movement is against that portion of the Kansas-Nebraska act which the position of the President; and, we infer, provides for the annulment of the Missauri caunot have his sanction. With the views of the correspondents, however, we have nothing the correspondents, however, we have nothing and treat the subject their own way. What one noted occasion. Your high reputation for we call attention to, is the history of the repeal of the Missouri Compromise, and the connection of the con posed the measure; and, we believe, has given these details for the first time to the public through the press. In deprecating a way much through the press. In deprecating a war upon salutary consequences. Douglas, these gentlemen agree with the mass Does the Kansas Nebraska act justify the of the people of Kentucky.

tion at Washington is using money and every appliance to defeat Douglas in Illinois. We don't see the proof of this; beside, it is an inherent improbability. The removal of some Apends can be supplied at chort notice.

Apends can be supplied at chort notice, and the appear to be supplied at chort notice, and the appear to be supplied at chort notice, and the appear to be supplied at chort notice, and the appearance of Douglas's friends from office, and the appointment of Lecompton men, is no conclusive proof of it. It should be recollected that many broof of the canvass now pending in Hinois, as worthy of sanction and commendation, or the contrary? Is the Administration in Washington justice. who hold federal offices in Illinois are strong friends of Douglas; and if some are removed, it is what might happen, without any effort to defeat the election of Douglas.

The Administration in washington his tistle Administration in washington his tistle and in employing official patronage for the defeat of Mr. Douglas under existing creumstances? Is not such an attempt on the part of any administration, and under any circumstances, a gross abuse of power—a most dangerous viola-

and sore heads, and a few that they mislead. good men of all parties, in some dignified and They hate floughas personally, because he does not suit them. Such men as Dougherty, Reynolds, and Breese: they left the party in 15 of the cooperate heartly and energetically in such nolds, and Breese; they left the party in 1551, manner as may seem likely to prove most effect on account of the repeal of the Missouri Com-promise. They lost caste, and blame Dauglas for it. They pretend to be great Lecompton men, just to suit the times. It is the best way, state of shameful suppression; Democratic IS WITH US AGAIN WITH HIS they see, to vent their spicen. They have got they see, to vent their spicen. They have got they see, to vent their spicen. They have got are overthrown and trodden under foot in the Washington Union, and a few politicians, are overthrown and trodden under foot in the washington Union, and a few politicians, to aid them in their pious citorts. These sacred name of Democracy—and men distinguished alone for imbecility and servility of spirit, or for more serious faults and vices, are trained and the dwarf market errors. For the participant of the properties of the washington union, and a few politicians, are overthrown and trodden under foot in the washington. Mark it, they will not the highest places of trust and distinguished alone for imbecility and servility of spirit, or for more serious faults and vices, are trained to the highest places of trust and dignitude of the properties of the washington union, and a few politicians, are overthrown and trodden under foot in the washington. These parties have axes to grind. Mark it, they will have been propertied by the washington union, and a few politicians, are overthrown and trodden under foot in the washington. These parties have axes to grind. Mark it, they will have been propertied by the washington union, and a few politicians, are overthrown and trodden under foot in the washington. These parties have axes to grind. Mark it, they will have been propertied by the washington union, and a few politicians, are overthrown and trodden under foot in the washington. These parties are overthrown and trodden under foot in the washington. neither, any longer than they can be used to result of the baneful working of this cancus advantage. As to the use of money, that's all system?

sands raised in New York to help Dauglas. and answer promotly, fully, and in language of We don't suppose there is any friendly feel-minds of any of your fellow citizens, whether ng between the administration and the Sena you are on the side of your country at this peril taking any active hand in the canvass we do see the institutions of our fathers go down to not believe. The charge is most emphatically rescue them from destruction denied by those who ought to know. Douglas himself does not believe it, or he would strike back. He is not the man to submit tamely to his enemies. The fact that he treats the administration with respect, shows that he gives no credit to these charges. Indeed, the whole To the Han. H. S. Poul :

done me the honor to send me, yet as it relates to a matter concerning which my views have been ever of a clear and decided character, and as the questions propounded by you stand connected with public interests alear to every pat the manner in which they discussed the Kansas question. These demagagers contended that the South had a right to kansas, and that the would be justified in going out of the Union, if the territory was not secured. They promised that it case Buchanan was elected, kansas should certainly become a slave State, and thus the was that the Kansas embroglio at last sumed such a threatening and portentous as peet.—Observer and Reporter.

To THE AFFLICTED -This is to certify that we, the undersigned citizens of Cloverport, and vicinity, have used Dr. R. D. Porter's Oriental Life Liniment, for numerous and various etertral diseases, and have found it truly ethicacious in every instance where it has been used according to directione.

After complete trials of almost every Lini

ment in use, we can find none to produce such happy results as Porter's Oriental Life. We, therefore, unanimously believe it to be the only liniment extant that will realize the expectations of all who are afflicted with the

diseases it purports to cure.
